People Got a Lotta Nerve

Neko Case's song of the title above came to mind recently when Alyssa Milano made the news. The actor, whose personal net worth is estimated to be more than \$10 million dollars, touched a nerve when she took to social media to solicit funds. She asked strangers to contribute to her Go Fund Me account so that her son's baseball team could go to Cooperstown, NY.

Huh?

Milano could obviously cover the cost for this rather easily. But, at a time when many struggle to just pay the bills, this millionaire panhandler has the nerve, the unmitigated gall, to ask others to sacrifice. She apparently needs her money.

Gandhi notes, "There is a sufficiency in the world for man's need but not for man's greed."

Amen.

July 2024—NO KID HUNGRY

The pause in school meals during summer vacation means that many students in our community are left without enough to eat. Without regular meals at school, families facing hunger struggle even more to make sure there is enough food on the table. Pinnacle is working in partnership with AR FoodBank to help eliminate childhood hunger by reaching kids where they live, work, and play.

As stated in last months communication we will continue our focus on 'Kid Friendly' items. Let's fill the AR FoodBank barrel each week, this month!

- Canned ravioli, chicken, and fish
- Canned fruits and vegetables
- Nutritious granola bars and cereals
- Peanut butter and other nut butters
- Instant oatmeal packets
- Shelf-stable milk
