## FROM OUR MINISTERS

### Bat Signal

When you were a kid, was there anything cooler than the Bat Signal? That large projection lamp that cast the silhouetted shape of a bat across the sky of Gotham City meant bad news for the bad guys. Batman was on his way.

These days in Sacramento a brilliant purple laser shoots into the sky whenever the Kings win. Every time the NBA team is on the cusp of victory, fans shout, "Light the beam!" While it's been years since the Kings were a title contender, the Laser Space Cannons have given fans a reason to cheer...and a Bat Signal of their very own.

Too often we fail to capitalize on the tremendous power of prayer in our lives. When we are struggling, we need to remember that the Creator of the universe is waiting to hear from us. The very thought is mind-boggling. "But when you pray, go into your room, close the door and pray to your Father, who is unseen. Then your Father, who sees what is done in secret, will reward you" (Matt. 6:6).

That is even better than the Bat Signal, friends.
