### SERVING AND GIVING

#### Arkansas Food Bank—May

Children need nutritious food to grow and thrive, and they need it every day. Unfortunately, over 87,000 children in Central and South Arkansas are food-insecure, they aren't sure when or where they'll receive their next meal. But with community-wide support and our partnership with AR Food Bank we can ensure children receive the food they need to grow and thrive. Let us not go weary in doing good.

For the month of May, we will be collecting "Food for Kids." You can find a list on the Food Bank collection barrel.

## FROM OUR MINISTERS

### The Old Paths

A couple recently moved to Little Rock. They were looking for a new congregation to call home. After visiting Pinnacle, I called on them in their new home. They were very friendly, and said they were planning to visit several churches before they made their decision as to where to place membership. I told them I was very familiar with what was going on in our area and would be happy to save them some work if they had any questions.

When told of some of the so-called "innovations" some churches were pushing, a look of alarm spread across their faces. "How can they do these things? The Bible doesn't teach that," they added. Agreed. Trying to spare them wasting time on a wild goose chase, I told them what I knew about the present state of Churches of Christ in Little Rock.

It was nice to tell them that Pinnacle isn't interested in fads, trends, man-made agendas, etc., but is committed to following, teaching, and preaching the Bible.

These days that makes us an outlier.

The Bible counsels, "Thus says the Lord: Stand by the roads and look, and ask for the ancient paths, where the good way is; and walk in it, and find rest for your souls. But they said, 'We will not walk in it.' I set watchmen over you, saying, 'Pay attention to the sound of the trumpet!' But they said, 'We will not pay attention.'" Therefore hear, O nations, and know, O congregation, what will happen to them." (Jeremiah 6:16-18)

You know what is going to happen.

It's already happening.

Listen to the Word of God, and ignore the will of man.

The former will last. The latter will fail.
